Grilling Safely Fire Tips

for Multi-Family Residences

Nationally, grills start 10,600 home fires each year.

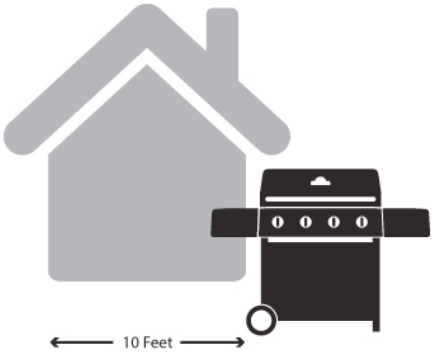
We don't want this to happen to you!!!

Charcoal burners and other open-flame cooking devices shall NOT be operated on combustible balconies.

EXCEPTION: Allowed if building and balconies protected with fire sprinkler system

5-Gallon sized Propane cylinders are prohibited on balconies.

Cylinder size is limited to 1-pound size on balconies above the first floor.



Set-Up for Safety

Position the grill well away (at least 10') from the building, deck railings and out from under eaves and overhanging branches.
