NOTICE OF INTENT TO ADOPT A NEGATIVE DECLARATION

CASE NAME: CITY OF CARLSBAD PEDESTRIAN MASTER PLAN
CASE NO: EA 07-06
PROJECT LOCATION: Citywide – Various Locations

PROJECT DESCRIPTION: The Carlsbad Pedestrian Master Plan provides a blueprint for pedestrian transportation and recreation in the City of Carlsbad. The Pedestrian Master Plan will enhance and expand the existing pedestrian network, connect gaps, address constrained areas, improve intersections, provide for greater local and regional connectivity, and encourage even more residents to walk. The Pedestrian Master Plan provides recommendations for the construction of future pedestrian networks consisting of pedestrian routes, signage, accessibility improvements and safety mechanisms. The plan also identifies areas of pedestrian demand and needs, and recommends a variety of programs to allow for safe, efficient and convenient travel within Carlsbad and connecting to regional destinations.

PROPOSED DETERMINATION: The City of Carlsbad has conducted an environmental review of the above described project pursuant to the Guidelines for Implementation of the California Environmental Quality Act and the Environmental Protection Ordinance of the City of Carlsbad. As a result of said review, the initial study (EIA Part 2) did not identify any potentially significant impacts on the environment. Therefore, a **Negative Declaration** will be recommended for adoption by the City of Carlsbad City Council.

A copy of the initial study (EIA Part 2) documenting reasons to support the proposed Negative Declaration is on file in the Planning Department, 1635 Faraday Avenue, Carlsbad, California 92008. Comments from the public are invited. Please submit comments in writing to the Planning Department within 30 days of the date of this notice.

The proposed project and Negative Declaration are subject to review and approval/adoption by the City of Carlsbad Planning Commission and City Council. Additional public notices will be issued when those public hearings are scheduled. If you have any questions, please call Marshall Plantz in the Engineering Department at (760) 602-2766.
