Texas First Families

Texas First Families. Temple, TX: Texas State Genealogical Society, 199?.
GEN MICROFICHE CPS 1017

This is a microfiche edition of 4,700 applications to the Texas State Genealogical Society's Texas First Families. Applications are arranged by application number. There are three indexes by application number, by applicant and by Texas ancestor.

In order to use *Texas First Families*, researchers must present a completed "GENEALOGY MICROFICHE REQUEST FORM" to the staff at the Genealogy Desk along with a Carlsbad City Library card or a driver's license as security. Researchers should first request the indexes and then request applications by application number.

Fiche numbers 1-2	Index by Application Numbers
Fiche numbers 2-4	Index by Applicants (Alphabetized)
Fiche numbers 4-5	Index by Texas Ancestors (Alphabetized)
