

## *Program Application*

The Citizens Academy is a seven-week interactive program, held on consecutive Thursday evenings (and one afternoon session that includes a citywide bus tour) geared to learning about the City of Carlsbad. Each week diverse topics such as Policy & Leadership, Community Services, Public Safety, Transportation and Utilities will be presented by experts within the city.

Applicants are encouraged from all segments of the city. Enrollment for each class session is limited to 47 participants, 15 years or older, and must be Carlsbad residents. Application on file does not guarantee enrollment. Applicants not enrolled for a specific session will be placed on a notification list for one year only.
