**Subject:** Animal Services Support for San Diego Humane Society

Dear Council, I would like to express my strong support for San Diego Humane Society providing the animal services for the City of San Diego. I am in favor of this expansion because it would streamline operating efficiencies, expand hours of services and coverage, and create a safety-net for pet families throughout the City of San Diego to the benefit of taxpayers in our region. San Diego Humane Society has performed lifesaving work for animals in our community since 1880, and its animal care services have proven to be exceptional time and time again. I am confident that SDHS is the best choice to provide animal care in our community. Please support this smart choice for San Diego.  
Thank you, Irene and Dennis Graham

**Subject:** in support of SD Humane taking over DAS duties

Hi,

I'm a Carlsbad resident and former long-term volunteer at DAS-North. Why don't I volunteer there anymore after over 5 years? Because DAS is not well run. I overlapped with Keith Blackburn for many years there; he volunteered with dogs, and I volunteered with cats.

I fully support the San Diego Humane taking over the duties at DAS-North and any other DAS-South/Central. And I have been a long term donor to SD Humane.

I've seen how it works at DAS, and it's not good. The animals need the San Diego Humane to take over. I think SD Humane will do a wonderful job running North, South and Central.

One special shout out for one DAS employee who I hopes get rehired to the SD Humane if the Humane takes over: Kathy King. She epitomizes the exception the rule at DAS, and she truly cares about the animals at DAS & is a hard worker. She's a big reason I was able to hang on volunteering many hours at DAS-North for over 5 years.

Thank you.

Sincerely,

Dr. Audra Scully

Dear City Council,

I am writing to express my support for San Diego Humane Society providing animal services for the City of Carlsbad and to ask that you vote in favor of this move.

As a volunteer at SDHS, I see firsthand the high quality of care the Humane Society provides to animals, not to mention the positive community programs they offer. They are the best choice to take over responsibility for animals in our community.

Please support this smart choice for the animals - and people - of Carlsbad.

Sincerely,  
Kristen Diederich

Dear City Council members, I am a volunteer along with my 2 teenage kids at the SDHS, PAWS  program for the past 6 YEARS. WE are writing to express OUR support for the San Diego Humane Society providing the animal services contract for the City of San Diego. As one of the first animal welfare agencies formed in the country, San Diego Humane Society has approximately 138 years of experience caring for at-risk animals. This extensive experience, along with its caring and committed staff and volunteers make San Diego Humane Society the best choice for providing quality animal care to OUR city. SDHS is a role model for animal shelters nationwide, and WE TRULY BELIEVE it will exceed objectives for serving BOTH ANIMALS and PEOPLE in OUR community.

Thank you for your consideration,
