CITY COUNCIL

Dear Council Members,

Please have an open and honest discussion about the current epidemic of gun violence in America and support a Resolution for Gun Violence Prevention.

Let this statistic sink in: 7 children or teens are shot and killed every day in America. I am sad, ashamed and blazing mad that this is the current state of our country - this is not ok and we all need to take responsibility and action to stop this now!

As you are well aware, we have had our own serious school shooting at Kelly Elementary. Many other gun related incidents have also taken place right here in Carlsbad. What more does it take to bring our community leaders to take action?

Please support a Gun Violence Prevention Resolution as a first step to demonstrate your willingness to take action. Say ENOUGH to gun violence - Not One More!

Respectfully,
Holly Moyer
