Subject: Reply Park Planning Update on Buena Vista Reservoir Site at City Council on 10/30

Hello Kyle, Council and all-

I have reviewed the plan and it is great. However, even though it was not planned and or budgeted for plumbing for a public restroom, we know the health benefits. If senior citizens do not have facilities readily available they often contract urinary tract infections. Health and sanitary conditions really should be addressed to provide for our City and Citizens. Can we not find some funds from the City's reserves to provide for this special park and community?

We have meetings, and these comments are voiced. The answers and reasons have not really been adequate or acceptable.

Thanks,
Jan
Janann Taylor

The life given us by nature is short, but the memory of a life well spent is eternal.

-Cicero

Update on Buena Vista Reservoir Site Park at City Council on 10/30

City staff will present the final conceptual design and next steps for the construction of a new park in northwest Carlsbad at the City Council meeting on Tuesday, Oct. 30 at 6:00 p.m. The purpose of the presentation is to provide the City Council with a summary of the related agreements, share the feedback gathered during the public involvement process and how that feedback was incorporated into the final conceptual design, and advise of the next steps for the proposed project.

The meeting will be held in the City Council Chamber, 1200 Carlsbad Village Drive, Carlsbad, CA 92008.
