Subject: Planning Commission vacancy

After careful consideration, I've decided to withdraw my application for the vacancy on the Planning Commission. Due to recent personal events, my attendance at the Commission meetings may be negatively impacted.

Thank you for notifying me of the current vacancy. I regret that I can't make the necessary time commitment. Best of luck in finding the ideal candidate(s) for the vacancies.

Kindly let Keith Blackburn know that I will not plan to meet with him tomorrow (Monday) at 2:30 as we had scheduled.

Best regards,

Vicky Heza
