Subject: RE: City of Carlsbad Traffic Safety Commission Appointments

I will not be able to attend the Council meeting at 4p on Tuesday. Could you please forward the following note to the Mayor and Council members?

My application for Traffic Safety Commission (TSC) was inadvertently left out of your original agenda packets due to a filing error at the City. I have been told that you will be considering the applications at a 4 PM meeting on Tuesday, which I am unable to attend. However, if you have any questions for me, I am happy to answer them via email, telephone, or in-person interview.

I noted that the positions being considered may be specific to Districts 1 and 3. I live in District 4, but I can pledge to represent the interests of any district on the TSC and to voluntarily give up my position at any point. I have closely followed traffic issues in Carlsbad and surrounding communities for many years. As a scientist, I am very data-driven and have delved deeply into traffic-related studies and policies.

Best regards,
Steve Linke

Good Afternoon,
Thank you for submitting an application to serve on the Traffic Safety Commission. The City Council is scheduled to consider applicants for the positions on the Commission at a Special Meeting scheduled for 4 p.m. on Tuesday, February 12 in the City Council Chamber. Please be prepared to answer any questions from members of the City Council.

Please feel free to contact me if you have any questions.
