To Whom It May Concern,

I write as a concerned citizen in regards to the attached item (<http://www.carlsbadca.gov/civicax/filebank/blobdload.aspx?BlobID=38550>) for the closed session item tomorrow regarding exposure to litigation. (<http://www.carlsbadca.gov/civicax/filebank/blobdload.aspx?BlobID=38523>). In the letter, Mr. Bender (part of Citizens For a Friendly Airport) references a letter to the City Clerk on May 11th. Upon searching the public records requests made and completed (<http://www.carlsbadca.gov/cityhall/clerk/records/prrequest.asp>), I do not see Mr. Bender requesting for this information. This leads me to wonder if Council Member Cori Schumacher who made the Brown Act violating motion is worried and wants to cover her tracks by having Mr. Bender write in? How else would he have received this information? Can staff, Mr. Bender, or Ms. Schumacher confirm for us how he has access to this email without receiving it from a public records request?

Why is Cori Schumacher working with special interest groups, i.e. Citizens for a Friendly Airport (many of her mayoral campaign supporters are part of this group), that are in pending litigation just so she can cover her ass on a vote that she should not have brought forward?

While I understand the need for making a statement, I am utterly disgusted at the lack of transparency by Ms. Schumacher, especially since she touts transparency.

If this isn't information sharing on her part, then what is it? Wouldn't this also be a violation under the settlement agreement with the County where the settling parties cannot be working with and providing information to individuals or groups that are pending litigation?

I'm scared to reveal my identity for fear of Ms. Schumacher attacking me as she has done with other residents: <https://www.thecoastnews.com/private-feud-between-city-official-resident-goes-public/>.

Please add this to the record for transparency.

Sincerely,  
Concerned Carlsbad Citizen
