Subject: Stagecoach Synthetic Turf Replacement Project - Council Agenda - 7/23

Hi Kyle,

Thank you for taking the time to speak with me today regarding the Synthetic Turf Replacement Project, Council Agenda Item #10, for the Tuesday, July 23 Carlsbad City Council Meeting.

As per our discussion, I am requesting that Item #10 be continued.

I am presently in Philadelphia, visiting my daughter, until July 24, and would very much appreciate the opportunity to respond to the item at the next availability convenient for City Council and Staff.

Kind regards,  
Mary Anne Viney
