Subject: Sober living home committee agenda item

Good afternoon all,
 I know the sober living subcommittee is on the agenda this evenings agenda to speak about formulating a committee as approved earlier this year. am very excited to see a committee come together of council and community stakeholders. It will be great to look at state, local and federal regulatory legislation in relation to these homes in carlsbad and the surrounding communities. I am not sure how you will organize the committee whether it will be application process or appointment or both, but i am interested in continuing to be engaged in this committee for Carlsbad.

Unfortunately, fortunately i will not be in town as my son has been called up to major league baseball by the Orioles and i will be in Arizona with him since they made it to the west coast.

I will look at the results of the meeting and am always available by phone 760 845 0318 or email.

Thanks so much.
 Rosemary
