INSTRUCTIONS: The following certificate shall be included on the title sheet of all building plans:

**CLIMATE ACTION PLAN (CAP) COMPLIANCE**

The following demonstrates project compliance with the applicable Climate Action Plan ordinances of the Carlsbad Municipal Code and California Green Building Standards Code (CALGreen), current version:

- |  |                                 |
|--|---------------------------------|
| <b>1. ENERGY EFFICIENCY APPLICABLE:</b>  | <b>YES/NO</b>                   |
| Complies with CMC 18.30.190 & 18.21.155  | Yes /No                         |
| Existing Structure, year built: _____  |                                 |
| Prepared Energy Audit?   | Yes/No                          |
| Energy Score: _____  |                                 |
| Efficiency Measures included in scope:   |                                 |
| _____  | _____                           |
| _____  | _____                           |
| _____  | _____                           |
| <br><b>2. PHOTOVOLTAIC SYSTEM APPLICABLE:</b>  | <br><b>YES/NO</b>               |
| Complies with CMC section 18.30.130 and 2019 California Energy Code section 150.1(c)14 | Yes /No                         |
|  | <u>Required</u> <u>Provided</u> |
| Size of PV system (kWdc):  | _____                           |
| Sizing PV by load calculations   | Yes/No                          |
| If by Load Calculations:   |                                 |
| Total calculated electrical load:  | _____                           |
| 80% of load:   | _____                           |
| Hardship Requested   | Yes/No                          |
| Hardship Approved  | Yes/No                          |
| <br><b>3. ALTERNATIVE WATER HEATING SYSTEM APPLICABLE:</b>                             | <br><b>YES/NO</b>               |
| Complies with CMC sections 18.30.150 and 18.30.170?                                    | Yes /No                         |
| Alternative Source:  |                                 |
| <input type="checkbox"/> Electric  |                                 |
| <input type="checkbox"/> Passive Solar   |                                 |
| Hardship Requested   | Yes/No                          |
| Hardship Approved  | Yes/No                          |
| <br><b>4. ELECTRIC VEHICLE (EV) CHARGING APPLICABLE:</b>                               | <br><b>YES/NO</b>               |
| Complies with CMC section 18.21.140?   | Yes /No                         |
| Panel Upgrade?   | Yes/No                          |
|  | <u>Required</u> <u>Provided</u> |
| Total EV Parking Spaces:   | _____                           |
| No. of EV Capable Spaces:  | _____                           |
| No. of EV Ready Spaces:  | _____                           |
| No. of EV Installed Spaces:  | _____                           |
| Hardship Requested   | Yes/No                          |
| Hardship Approved  | Yes/No                          |
| <br><b>5. TRAFFIC DEMAND MANAGEMENT APPLICABLE:</b>                                    | <br><b>YES/NO</b>               |
| Compliant?   | Yes / no                        |
| TDM Report on file with city?  | Yes / no                        |
