Dear Council,

With the retirement of elected council member Barbara Hamilton, I demand that a proper election be held for her replacement. Any random appointment without an election will be regarded as a violation of the rights of Carlsbad's electorate.

Thank you,

I think it has become very clear in the last few years that the citizens of Carlsbad expect to have a voice in their local government, as is appropriate to a democracy and a Charter City. Filling the current vacancy for the D-1 Council member through a voting process, especially with a 3-year term to fill, is appropriate and necessary. Appointing someone to fill the vacancy is fraught with frustrated and distrustful citizens and expensive outcomes.

Please approve a Resolution at the 10/22/2019 Council Meeting to call for a D1 election for the remaining 3 years of the D1 City Council position, to be held as part of the March 3, 2020 Primary Election.

Thank you,

Jan Bandich
Carlsbad Citizen D-1

Mayor Matt Hall and Carlsbad City council

My wife and I are urging all of you to follow the municipal code by making an appointment. (Elections are costly!, and the first step in the process is for the council to appoint someone to a vacant the seat.) As necessary, the council should initiate the appointment process by setting criteria and qualifications.

My wife and I strongly suggest that the council should consider appointing Tracy Carmichael to this seat. Not only was she the close runner-up in the election, by only 250+ - held ten months ago, she has been fully vetted by the voters in District 1.

Thank you all for your attention to this matter
