## Salt Dough Necklace

Supplies:

- 1 cup flour
- ½ cup iodized salt
- ½ cup water
- Craft paint blue, green, black, and white
- Twine or string
- Beads blue and green
- Round piping tip or bottle cap (approx. 1")
- Paint Brush

### Step 1:

Preheat oven to 250F

### Step 2:

Sift flour into a small mixing bowl and mix water until well combined. (Don't add too much water. It shouldn't be sticky.)

### Step 3:

Roll out the dough into about ¼" thickness. Use a piping tip or bottle cap to cut small round circles.

### Step 4:

Make a little hole at the top for the string to go through. (you can use a straw or a pencil)

### Step 5:

Bake dough circles for 1 – 1 ½ hours, or until dry and hard, but not brown.

### Step 6:

Remove from oven and let cool.

### Step 7:

Paint/decorate in the theme of Earth day. Sit out to dry.

### Step 8:

String through hole with string or twine, thread on a few beads and tie in a knot to make a necklace.
