Hi City Council :

Please do not shortchange Seniors and fail to plan and budget for a new senior center in South Carlsbad as well as upgrading the Pine Sr. Ctr. senior bathrooms and add equipment for the comfort and convenience of seniors who enjoy having a wonderful and welcoming senior center. The Park & Recers who want to keep the Senior Center on a small level with no extra staff or no extra activities which would require more work on the current part time staff. There is only one cornhole game! There are rooms that are not available to seniors to enjoy because Staff has to clean the cafeteria , a 30 minute job, and the staff wants quiet and privacy! They do not enjoy the music!
They can not make a go of Wii bowling but the Staff can give you every glib excuse in the book why they can not DO something for the seniors!

Isn't it time to study (staff study) hiring a full time, experienced senior center management that focuses on improving the Senior Center or separating the current senior center management as a separate group under the city manager (like the Library) with people who actually like seniors and are open to upgrading the senior experience for a diverse group of seniors, black and white and yellow, from 50 to over 100, and for those who do not always agree with the Mgrs. , for those who have a sense of humor to those who are humorless???

Thank you,

Mary Lucid
