Clay Roof Tiles

CALGreen C&D Recycling Requirements

CALGreen requires certain construction and demolition projects to recycle and/or salvage for reuse a minimum of 65% of the non-hazardous waste. Republic Services can provide dumpsters in a variety of sizes, which will help you meet your CALGreen recycling compliance requirements.

Republic Services offers a wide variety of dumpsters and services for your job site.

10-Yard, 20-Yard, 30-Yard and 40-Yard Roll-Off Dumpsters (Pictured Here)

Got a Smaller job with space constraints?

Temporary 2-yard to 6-yard dumpsters are also available for trash, C&D and recycling if you prefer, or if space is constrained.

Don't forget a recycling and trash dumpster at your job site to help avoid contamination charges.

Unacceptable Materials

× Carpet

× Toilets or tubs

× PVC piping

× Plastic Wrap

× Malleable Plastics

× Glass

× Polystyrene foam

× Hazardous waste

× Wood (treated, stained or painted)

Need a CALGreen Diversion Report? Email carlsbadservice@RepublicServices.com to request one upon completion of your project.
